

**Would you like to share your faith more effectively?**

Reach Southend is an initiative to equip the church for evangelism and outreach. We believe the best way to learn to share our faith is by doing it! So with the support of a team and the Route One exhibition we are going into Southend High Street.

So why not take a step of faith and join with us for one or more days of outreach? Full training will be given prior to the events and we also continue with full support during the outreach. This is a great opportunity to grow in your experience of sharing your faith with others.

*"As far as I am concerned, working with the bus in the high street was the highlight of my year. It was challenging but exciting at the same time. Sharing the gospel so many times has refreshed my faith and taught me how to tell about the good news to people who do not know Jesus ."* Lydie
